Please see the note from RD below. This is regarding the aldicarb meeting invitation that I just sent to you. Debra did not indicate if there is a benefits package available for review but does mention the PRIA date is July. We'll find out more at the meeting.

Rebecca – for now, please plan to attend just to listen. There were several documents completed by BEAD on aldicarb if you'd like some background on the chemical. See BEAD Official Records.

Thank you.

Hi Debra,

What is the timing for this review? Please include Mark, Colwell and me to start.

Thank you.

Monisha

**Subject:** Aldicarb - meeting to discuss new uses (citrus - Texas/Florida)

Hi,

RD has a new use action for aldicarb on citrus (Florida and Texas). We met a few weeks ago with PRD/HED/EFED and the EFED has begun to work on the water modeling.

## Ex. 5 Deliberative Process (DP)

I'm looking to set up a meeting for the week of Sept. 3, who should I look to include from BEAD for this meeting?

Thank you for your help.  
Debra
